

Blue Shield Australia

MayDay 2016 Logos

Blue Shield Australia is a member of the international committee of the Blue Shield set up in 1996 to work to protect the world's cultural heritage threatened by disasters of all types. The International Committee of the Blue Shield (ICBS) and its affiliated national committees (such as Blue Shield Australia) work together as the cultural equivalent of the Red Cross internationally.

Our friends at the Society of American Archivists have kindly created this year's logos. Select the logo relevant to your sector, right click and save as picture.
